# Why Sponsor?

When you sponsor Sandia High School Bands you help music education in our community thrive. Your donation will go towards instrument upkeep, purchasing music material, marching show props, uniforms, new and updated technology and technicians who can help meet the needs of individual students. Your generous support helps the Sandia Band provide an enriching music education for all students enrolled in the program.

Sandia Band could not do this without support from people like you in our community.

*Thank you!*
