Band Boosters

- ▶ Every band parent is a band booster! Our kids work REALLY hard. They need ALL of us!
- ▶ Our boosters and booster board support the band in many ways:
 - ▶ **Time and Talent: Marching Band is like *moving a small army and it doesn't stop there.*** We need extensive help before, during and after every game, competition, concert and performance.
 - ▶ Parent volunteers are needed for uniforms, fundraising, pit crew, craft fair, chaperones, donations and gaining sponsors.
 - ▶ Fundraising: APS provides minimal financial support.
 - ▶ Sandia bands have some of the lowest (if not the lowest) band and booster fees in APS.
 - ▶ Fundraising supports the band through the purchase of music; tech salaries; marching show (\$6,000); transportation; instrument repair/purchase; uniform costs and care; meals at games/competitions.

Volunteering

- ▶ Getting involved is fun and easy. You won't regret being involved in your child's music education.
- ▶ Many hands make light work. If we all pitch in and take on one or two tasks, our kids and program benefit.
- ▶ Accurate and up-to-date contact information is critical: receive updates on upcoming events and performances, call times, dress code, arrival and departure times when traveling, volunteer opportunities and more.
- ▶ Several ways to communicate with the band:
 - ▶ Remind App
 - ▶ www.sandiabandboosters.org
 - ▶ Newsletter
 - ▶ Social Media: facebook groups/instagram
 - ▶ Sign-Up Genius

Stay Informed

As a booster organization, we do not have access to your student's APS records or information. Please sign up for band communications so that you and your student are prepared for the upcoming school year.
